Who is providing this notice?

Lead Bank

What we do

How does Lead Bank protect my personal information?

To protect your personal information from unauthorized access and use, we use security measures that comply with federal law. These measures include computer safeguards and secured files and buildings.

How does Lead Bank collect my personal information?

We collect your personal information, for example, when you

- apply for a loan or open an account
- show your government-issued ID or use your credit or debit card
- provide employment information

We also collect your personal information from other companies.

Why can't I limit all sharing?

Federal law gives you the right to limit only

- sharing for affiliates' everyday business purpose-information about your creditworthiness
- affiliates from using your information to market to you
- sharing for nonaffiliates to market to you

State laws and individual companies may give you additional rights to limit sharing.
